Brand New Book ***** Print on Demand *****.Excerpt from Conference on Industrial Hygiene The following facts bearing upon the field of industrial hygiene, which at once suggest the occasion for and the setting of this conference, were outlined in memoranda submitted by persons invited to the conference and were presented as the basis and the guide for the discussion: 1. There are at present in the United States over 900 corporations which employ more than 1,500 industrial physicians, most of whom are said to be on a full-time basis. The DuPont-Nemours Company is reported to employ more than 50 physicians, the International Harvester Company 40, and the Goodrich Rubber Company, of Akron, Ohio, more than 20. Among the other corporations that have adopted medical systems that have attracted attention are the following: United States Steel Company; Tennessee Coal and Iron Company; American Telephone and Telegraph Company; The Norton Company, of Worcester, Massachusetts. 2. The Association of Industrial Physicians and Surgeons meets annually and is reported to have a membership of over 100. 3. Existing and pending health insurance legislation is a problem in industrial hygiene. 4. Research in industrial fatigue seems necessary to a solution of many fundamental problems of industry. Government Agencies 5. Government, state, and municipal agencies are meeting various phases of the industrial hygiene needs: The United States Public Health Service has appointed a corps of industrial physicians to make studies in manufacturing plants in various parts of the country. Note: The officers of the Rockefeller Foundation felt that such a conference would suggest and clarify many problems in connection with this important topic in the general field of public health. It has not appeared feasible for the Foundation to undertake...
