*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## STEAL LIKE AN ARTIST: 10 THINGS NOBODY TOLD YOU ABOUT BEING CREATIVE

Workman Publishing, United States, 2012. Paperback. Book Condition: New. 152 x 150 mm. Language: English . Brand New Book. When asked to talk to students at Broome Community College in upstate New York in the spring of 2011, Austin Kleon wrote a simple list of ten things he wished he'd heard when he was their age: Steal like an artist; Don't wait until you know who you are to start making things; Write the book you want to read; Use your hands; Side projects are important; Do good work and put it where people can see it; Geography is no longer our master; Be nice (the world is a small town.); Be boring (it's the only way to get work done.); and, Creativity is subtraction. After giving the speech, he posted the text and slides to his popular blog, where it quickly went viral. Now Kleon has expanded his original manifesto into an illustrated guide to the creative life for writers, artists, entrepreneurs, designers, photographers, musicians, and anyone attempting to make things - art, a career, a life - in the digital age. Brief, direct, and visually interactive, the book includes illustrative anecdotes and mini-exercise sections calling out practical actions readers can take to unleash their own creative spirits.
