This accessible and concise book will appeal to both students and general readers, giving a fascinating introduction to a wide range of perspectives on God. The All That Matters series: All That Matters books: All books in the All That Matters series are written by world experts in their subject field. These experts work to distil a topic and get right to its heart, making the book accessible for both students and general readers. Each compelling book contains new and interesting perspectives and tells stories that matter. The Author: Mark Vernon has an unparalleled ability to convey profound philosophical ideas in a manner that is both accessible and personal but also rigorous and challenging. - Raymond Tallis Mark Vernon is a journalist, broadcaster, teacher and author of...
