Pearson, United States, 2015. Book. Book Condition: New. 9th. 208 x 140 mm. Language: English . Brand New Book. NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use Pearson's MyLab Mastering products. Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for Pearson's MyLab Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase For courses in Writing Across the Curriculum or Writing About Biology. This package includes MyWritingLab . Developing the tools to effectively write about biology Teaching biology and strong writing skills simultaneously is a challenge, especially when students exhibit a range of abilities. The Ninth Edition of A Short Guide to Writing about Biology provides tools to strengthen student writing and reinforce critical thinking. Written by a prominent biologist, this best-selling guide teaches students to express ideas clearly and concisely. It emphasizes writing as a way of examining, evaluating, and refining ideas: students learn to read critically, study, evaluate and report data, and communicate with clarity. Using a narrative style, the text is its own example of good analytical writing. In this new edition, students learn how to avoid plagiarism (Ch 1 and 3), read and...
