

Chaos Is Come Again (Valancourt 20th Century Classics)

Filesize: 4.12 MB

Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Michael Spinka)

CHAOS IS COME AGAIN (VALANCOURT 20TH CENTURY CLASSICS)

Valancourt Books, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.England, 1932. The nation had just begun to recover from the wounds of the First World War when economic catastrophe struck with the Great Depression. It is against this background that Vernon Dexter arrives at the old manor house at Greystones, home of the notorious philanderer Sir Keith Petersley and his eccentric wife Lady Isabelle, to tutor their disabled son Eric. As he meets each of the strange members of the Petersley clan and gets caught up in the exciting dramas that unfold at Greystones, we see that the Petersleys are more than just a family: they are representative of an entire way of English life that is on the verge of extinction, to be replaced by a new age of chaos and greed. Inexplicably neglected today, Claude Houghton (1889-1961) was one of the finest English novelists of the interwar period. Though he is best known for novels like *I Am Jonathan Scrivener* (1930), psychological thrillers infused with philosophy and mysticism, in *Chaos Is Come Again* (1932), his theme is more overtly political. In light of the economic crises of recent years, today's readers will find Houghton's novel eerily prescient and his predictions about a society dominated by capitalistic greed remarkably accurate. A criticism of life today, full of ideas and dramatic moments; it is genuine in its psychology and thrilling in its action. - *The Times* I read *Chaos Is Come Again* with intense interest. It has not a dull page in it. - Compton Mackenzie Had Emily Bronte written *Heartbreak House* the result might have been rather like Mr. Claude Houghton's richly inventive *Chaos Is Come Again*. - Norman Collins.
