It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Golden Hour Publishing. Paperback. Book Condition: New. Paperback. 248 pages. Dimensions: 9.2in. x 6.1in. x 0.7in. Edition contains Part One Noble The journey begins with a dream that is not a dream. . . In Part One of this epic adventure, the story unfolds in the provincial town of Noble, where twelve-year-old Heather Nighborne is considered different, strange indeed, seeing auras and befriending the mysterious Aria. Yet, when the time comes for the extraordinary Bristol House to awaken Heather to her true identity and arduous destiny, a grisly incident on the house grounds complicates the girls rite of passage: her introduction to the magical Realm of Evermore, the land of Maidens. The Ruins of Evermore, The TimeLight Awakenings is the first in a series of novels that will take the heroine from age twelve into adulthood and from small town Earth to the exotic planets of Evermore. Over the course of this intricately woven and epic adventure, two vivid and intertwined worlds take shape, highlighted by humor and magic, and shaded with danger and tragedy. Readers Comments: It was so gripping, tension-filled, unexpected. . . Also, the ending couldnt have been better. . . I feel rather sad though, that my sojourn in Noble and Evermore is over for the time being. . . it makes me want to go out and get the next book! Not predictable at all. All the characters are very real, very real. Sure do love the house, every childs fantasy. I think Heather and Molly are believable characters and compliment each other. Mollys admiration of Heather is evident, and Heathers appreciation and gratitude for Mollys acceptance of her also comes over. . . . creepy. . . I am assuming that it is Heather and Molly, and wondering how the heck they are going to...
