Bloomsbury Publishing PLC, United Kingdom, 2004. Paperback. Book Condition: New. Matthew Lilly (illustrator). 230 x 210 mm. Language: English . Brand New Book. This series uses cartoon style illustrations and humorous narrative text to make key topics in Science and Geography both accessible and engaging. This approach encourages children to read about and understand complex ideas. This is the story of how electrical energy is generated in a power station, how it travels through pylons, power cables and wires until it reaches towns and homes. We learn how electrical current is created and how it is made safe. This book also contains an experiment, more great facts to know, useful websites and an index.
