Createspace, United States, 2015. Paperback. Book Condition: New. Large Print. 270 x 228 mm. Language: English . Brand New Book ***** Print on Demand *****.Someone probably told you or you read about the Power of Positive thinking or the idea of Thinking to grow Rich, or the concept of Self Actualization, or something called faith. I ll bet I struck a chord by adding faith to the list, but I ll explain it all as we go through. If you have every read or studied Chakras or the Hindu and Buddhists or the concept of becoming an empty vessel as taught by the Taoists, there will be a level of similarity that must be addressed. If you wondered how Peter walked on water or a small girl lifted a car to save a father, there will be a similarity discussed here. If you wondered about the statements made in the New Testament concerning losing yourself to gain yourself or Dying to live, I think reading this book will be very enlightening. This book will certainly have reference to the Biblical details that provide us with insight to who we are, but there also will be a secular description to allow us to better understand both the physical and spiritual world we live in. Finally, the science of Anthropics will be used along with other physics details to tie information together and allow us to not have conflict while developing a new understanding of our world and ourselves. . Einstein told us matter had no end and it was made of vibrating Aether [which was the potential to have matter] and matter expanded to infinity as our motion increased to the speed of photons. Dr. Wolff determined that matter could only exist if vibrational fields from a linked universe were emitted....
