Buddhism has given immeasurable riches to the West - a collection of profound and life-enhancing ideas, a host of beautiful works of art (from statues of the Buddha to Zen gardens) and a repertoire of spiritual practices (from mantras to mindfulness) that can change all our lives for the better. Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
