WHAT EVER HAPPENED TO HAPPILY EVER AFTER?

Xulon Press, United States, 2012. Paperback. Book Condition: New. 229 x 157 mm. Language: English . Brand New Book ***** Print on Demand *****.I believe part of the reason why so many marriages in today s society end in divorce is because of the simple fact that no one ever painted a picture for them of what happily ever after looks like in reality. Individuals go into a marriage expecting happily ever after to look like their childhood fantasy. When they wake up and realize that that s not the case, they figure, Then, this must not be my Prince Charming . . . never stopping to take into consideration that maybe their expectations are based on fantasy rather than reality. In her book, What Ever Happened to Happily Ever After, Keidra Hobley takes a look at some of the different fantasies that many marriages are based on and helps them to transition from a dream state to one of reality. In doing so, she helps to enable marriages to experience a happily ever after that is based on reality and realistic expectations. Keidra H. Hobley holds a Bachelor s degree in Accounting and Business Management, a Master s degree in Psychology and Christian Counseling, and a Doctorate in Communications and Christian Leadership. She is a national conference speaker, leadership and professional development trainer, a certified human behavior consultant, an accredited DISC training provider, and a certified coach, teacher and speaker with the John Maxwell Team. Keidra has been married to her one and only husband, James, for 15 years and they have three beautiful children.
