Quill Driver Books, 2010. Paperback. Book Condition: New. 1884995616 With efficiency and a touch of humor, this valuable guidebook offers information on the difficult subject of planning for one's own death or organizing funerals for loved ones. Topics ranging from cremation, burial, caskets, services, and organ donation are explored, and each section offers data, definitions, examples, pros and cons, and helpful worksheets for narrowing down the best options. Numerous sidebars that offer engaging and occasionally bizarre facts on the death industry are also included. Emphasizing practicality and frugality, a bevy of money-saving steps are explored, citing that if smart choices are made beforehand then expensive choices made in grief can be avoided. Ideal for the time-constrained, this comprehensive resource presents fast facts in an easy-to-read format, while helpful links for each topic are compiled in an accompanying website. Readers will benefit from the peace of mind that follows the creation of a structured plan to reduce the financial burdens and emotional distress on loved ones left behind.
