BY THE HAND OF PROVIDENCE: HOW FAITH SHAPED THE AMERICAN REVOLUTION

[DOWNLOAD](#)

Howard Books, United States, 2012. Paperback. Book Condition: New. Reprint. 213 x 137 mm. Language: English . Brand New Book. From the author of *Forged in Faith* comes the remarkable untold history of how the faith of our fathers critically influenced the outcome of the American Revolution and the birth of the United States of America. A page-turner that reads like a novel! Here, in the fascinating follow-up to his popular work *Forged in Faith*, award-winning historian Rod Gragg reveals how the American Revolution was fired and fueled by America's founding faith--the Judeo-Christian worldview. Based on meticulous research and propelled by a fast-paced style, *By the Hand of Providence* uncovers the extraordinary, almost-forgotten history of the faith-based Revolution that secured American liberty and nationhood. From the American people's first resistance to attacks on their God-given or inalienable rights, through the dramatic battlefield events of the Revolution and General George Washington's pivotal faith-based leadership, to the climactic surrender of Cornwallis's British army at Yorktown, *By the Hand of Providence* exposes the long-overlooked but critical element that kept alive the American War for Independence and motivated the ultimate victory that established the United States of America. In the words of George Washington: The Hand of Providence has been so conspicuous in all this, that he must be worse than an infidel that lacks faith. . . . Graced by a fast-paced narrative and based on the extensive research Gragg has so notably applied to other events in American history, *By the Hand of Providence* is an insightful and fascinating account of the faith-based Revolution that secured American independence and nationhood.
