THE GREATEST BENEFIT TO MANKIND: A MEDICAL HISTORY OF HUMANITY

[DOWNLOAD](#)

W. W. Norton & Company. Paperback. Book Condition: New. Paperback. 872 pages. To combine enormous knowledge with a delightful style and a highly idiosyncratic point of view is Roy Porters special gift, and it makes this book . . . alive and fascinating and provocative on every page. Oliver Sacks, M. D. Hailed as a remarkable achievement (Boston Sunday Globe) and as a triumph: simultaneously entertaining and instructive, witty and thought-provoking . . . a splendid and thoroughly engrossing book (Los Angeles Times), Roy Porters charting of the history of medicine affords us an opportunity as never before to assess its culture and science and its costs and benefits to mankind. Porter explores medicines evolution against the backdrop of the wider religious, scientific, philosophical, and political beliefs of the culture in which it develops, covering ground from the diseases of the hunter-gatherers to todays threat of AIDS and ebola, from the clearly defined conviction of the Hippocratic oath to the muddy ethical dilemmas of modern-day medicine. Offering up a treasure trove of historical surprises along the way, this book has instantly become the standard single-volume work in its field (The Lancet). The authors perceptiveness is, as usual, scalpel-sharp; his manner genially bedside; his erudition invigorating. - Simon Schama 24 pages of bw illustrations This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
