New Forest Books, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you ready for more unusual mandalas? Here's another chance to escape to the quirky Art Nouveau world of 19th century artist Aubrey Beardsley. This is book two in Joan Verch-Rhys's coloring book series for adults. Between the covers of this 8 1/2 x 11 book, you'll discover 50 classic and unusual mandalas to color. All of them are based on the flamboyant illustrations of Aubrey Beardsley. No matter what level of detailing you like, or what style of mandalas, you'll probably find what you're looking for among these 50 hand-crafted mandalas. They vary from fine lines and narrow spaces to bold and simple designs. The artwork is printed on just one side of the paper. Many of these mandalas are best colored with markers. Others will shine with the subtle variations of colored pencil. (As with most coloring books, it's smart to place a sheet of paper underneath whatever you're coloring, to prevent bleed-through of ink or pressure marks from pencils.) If you're ready to escape to a very different world, start your coloring adventures here!.
