At the option of the grower or seller, Grade No. 2 Small, and Grade No. 2 Large, may be combined as a No. 2 grade, with tolerance of 5 per cent by weight of such lot may be below the remaining requirements of the grade. Peanuts: Prospects for the opening up of the peanut market this year are not as bright as they might be. From all appearances there is quite a large carry-over crop in Texas, due to the importation of peanuts which are being placed on the market shelled at less than Texas farmers can afford to grow them. The fact that the acreage in peanuts this year is considerably reduced from the acreage of last year may be a determining factor...
