

Psychotropic Drugs (4th Revised edition)

By Norman L. Keltner, David G. Folks

Elsevier - Health Sciences Division. Paperback. Book Condition: new. BRAND NEW, Psychotropic Drugs (4th Revised edition), Norman L. Keltner, David G. Folks, Completely updated, the fourth edition of "Psychotropic Drugs" presents essential psychopharmacologic information in a comprehensive, user-friendly format. Part One consists of 23 narrative chapters that provide an overview and basic discussion of the biologic bases of psychopharmacology, as well as the uses of psychotropic drugs for specific psychiatric disorders across the lifespan. Part Two contains a series of brief profiles for some of the most common psychotropic drugs, listed by generic name, for access in clinical situations. With information presented in both a comprehensive narrative style and in alphabetical drug profiles, this book can be used both as a textbook and as a handy reference.
