When I had my first idea I searched for this book. It didn't exist. I wanted to read a book from someone who had actually taken a product to market. I wanted to know 'where to start' and 'what to do.' I wanted a simple guideline to follow - a blueprint. This is my blueprint. Armed with only her vision, her high school education, and a tenacity to succeed, Leonie Mateer took her idea of converting a fishing tackle box into a cosmetic organizer box and took the retail industry by storm. Her reputation in the product development, marketing and sales has been recognized throughout the retail industry.
