

Developmental Physical Education for All Children w/Journal Access-4th Edition

By Gallahue, David; Cleland-Donnelly, Frances

Human Kinetics, 2007. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Developmental Physical Education for All Children, Fourth Edition , is now automatically packaged with an online subscription access code for a 6-month subscription to the Journal of Teaching Physical Education (JTPE) . With the inclusion of the code, students will have access to the latest scholarly articles on physical education. JTPE features research articles based on classroom and laboratory studies, descriptive and survey studies, summary and review articles, and discussion of current topics of interest to physical educators at every level. The text Developmental Physical Education for All Children, Fourth Edition , has been thoroughly updated and revised by world-renowned authors David L. Gallahue and Frances Cleland-Donnelly. It provides both the sound philosophical foundation and the tools required to build and improve solid programs that benefit all students. Parts I, II, and III ("The Learner," "The Teacher," "The Developmental Program") present background information that is essential for successful teaching. Parts IV, V, and VI ("The Skill Themes," "The Content Areas," "The Program Strands") focus on developmental movement experiences for preschool and elementary school children. The CD-ROM accompanying the text is packed with...

Reviews

This book may be really worth a read through, and far better than other. it was actually writtern extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.

-- Lillie Toy

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.
