businesses are started each day. While entrepreneurship has

been forced upon many people during the economic downturn,

most people who start a business do so in pursuit of a dream, or

the quest for independence and financial security. The U.S.

government, through its tax code, encourages entrepreneurship

and small business start ups by providing small businesses with

a number of tax incentives. For small businesses, it is a double-

edge sword, as the tax code can also be frustratingly

complicated. The unfortunate reality is that many business

owners, already overwhelmed with the demanding tasks of

starting and managing their business, fail to treat the tax

aspects of their business as a year-round endeavor. As a result,

they are unable to take full advantage of the tax incentives, and

worse, they fall into traps that can be very costly. The purpose of

this guide is to help you navigate the maze of tax issues that

confront small businesses each day in order to make the filing

process far less taxing. The following topics...
