The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

What do you want to be, to achieve, to become? You already know that your thoughts create your reality. But what creates the thoughts that create that reality? Not your mind; not your brain; not your will - it's your heart. Your heart is the key to all you wish to create, to all you would be to every aspect of your heart's desire. And Hardwired to Heaven is the key that unlocks not only the mysteries of the heart, but its magic as well. Let this engaging, informative and surprising journey into the quantum physics, biology, and metaphysics of consciousness, creative energy, and the heart introduce you to the sacred coordinate within your heart and show you how you can access its energy to live your heart's desire.
