Brand New Book ***** Print on Demand *****.The potential for terrorist activities directed against United States (U.S.) citizens and interests worldwide has become an increasingly serious threat. In an effort to counter this threat, the U.S. Government has implemented a number of measures to enhance the Nation's ability to deter, prevent, respond to, and recover from terrorist activities within the United States, its territories, and possessions. It discusses employment concepts, planning considerations, capabilities, and the type of support that WMD-CSTs can provide during a response. This information should be shared with...
