Sense Publishers, United States, 2014. Paperback. Book Condition: New. 231 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There is no term so heavily contested in social science literature/nomenclature than Development . This book brings Indigenous perspectives to African development. It is argued that contrary to development as we know it not working, a greater part of the problem is that conventional development approaches that work have in fact not truly been followed to the...
