

Rebel Read: The Prince of Speed (Hardback)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

REBEL READ: THE PRINCE OF SPEED (HARDBACK)

REDLINE BOOKS, United Kingdom, 2014. Hardback. Book Condition: New. 286 x 226 mm. Language: English . Brand New Book. Winner of eight world championships between 1964 and 1977, Phil Read MBE is Britain's most successful living motorcycle road racer. Starting out on a bike bought by his doting mother in 1956, he announced his entry in big-time racing with an Isle of Man TT victory in 1961. Three years later he took his first world title, also the first for the Japanese Yamaha factory he raced with. Four more Yamaha-mounted titles followed including one hard-fought as a privateer, plus two in a row in 1973 and 1974 in the Blue Riband 500cc class with the mighty Italian MV Agusta team. An eighth world championship came from Read's courageous ride to victory on wet roads in the 1977 Formula 1 TT race, on a heavy 810cc Honda. In this revealing autobiography, the Prince of Speed vividly recalls hectic track battles against riders like Mike Hailwood, Giacomo Agostini, and Barry Sheene, all of whom he beat at various times. Rebel Read, who was never far from controversy, frankly describes life in the grand prix circus: the glamour, the danger, the money, the politics and the sex.
