Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

VILLAGE BY THE FORD (NEW EDITION)

Cornish Books. Paperback. Book Condition: new. BRAND NEW, Village by the Ford (New edition), Gordon Channer, A true story of humour and escape, but without crime or violence. A family with three young children, 8, 6 and 3 years, abandon their successful life near a big city, to buy a wild but beautiful Cornish valley. Life by the small clear stream is primitive - but how many millions would love to do that if only they had the nerve to give up secure, well-ordered lives? Struggling to survive this drastic change from large urban house to tiny caravan in total isolation, the children revel in the wild new playground, their characters remoulded by a hard but wonderful existence. Life is so very different, with weekly baths in the cold clear river water and a true outside loo that can only be used with modesty after dark. A story with deep but subtle romance and a love of all things natural, of orphan baby rabbits and rearing an injured buzzard. And this is a true story.
